(B) Women's Team 22 %

4. The expenses incurred by the school for—
- All sports,
- Football,
- Men's basketball,
- Women's basketball,
- All other men's sports except football and basketball, and
- All other women's sports except basketball

Expenses not attributable to a particular sport, such as general and administrative overhead, must be included only in the total expenses for all sports. A school also may report those expenses on a per capita basis for each team and may report combined expenditures attributable to closely related teams, such as track and field or swimming and diving. Those combinations must be reported separately for men's and women's teams.
